

Meet the Crew !

The Zenith crew is first class, experienced at San Blas, multi-lingual, and guest-friendly! They love what they do.

Zenith crewmembers rotate, for adequate time off, and for backup in the event of absence. This crew doesn't live on the boat year-round, and returns refreshed!

Captains Alexia, Fred, and Carlos each have 7 years' experience with San Blas and with the Zenith catamaran. They know the islands, the Guna people, and the special places!

Chefs Luis, Alicia, and Euris have Culinary Arts education and restaurant experience yachts, and are familiar with the challenges involved in sourcing excellent products.

A "marinara" or "mariner" is normally added as a third crewmember, to assist the guests, Captain, and Chef with guest services. A must when young children are aboard!
